A MESSAGE FROM THE PRESIDENT

Welcome all VFDA and VFSA Members and Guests,

On behalf of the Board of Directors, I am thoroughly excited to invite you to the 134th Virginia Funeral Directors Association Annual Convention! This year's convention returns to its old format and begins on June 12th and concludes on June 15th! We have a jam packed line up of Continuing Education presenters who are leading experts in their fields. Additionally, the board has placed great emphasis on concluding our meetings daily around the noon hour, to give you, the member, the chance to spend the afternoons with your family.

The Marriott Virginia Beach Oceanfront is a facility like none other! As a part of the historic Cavalier property, you will have access to all that the Cavalier has to offer! 3-Star Dining, Meeting rooms with State of the Art Technology, and event spaces that offer everything from small intimate gatherings, to large group events such as ours. Guests of the hotel will leave this convention with memories to last a life time!

If you are a member of the Virginia Funeral Sales Association, I encourage you to take full advantage of all the opportunities for face to face interaction with those in attendance. Again this year, the VFSA has graciously offered to sponsor the nightly Hospitality Suite, located on the hotel lawn, adjacent to the beach, ground level bar, and pool areas. The night time gathering gives vendors and funeral directors ample time for fellowship and networking. If you are a vendor and have not yet joined the VFSA, I encourage you to join ahead of the convention to take advantage of the registration discount and sponsorship opportunities available!

As you review this brochure, please take time and read each page carefully. We have our schedule of events, which details the daily CEUs, along with the additional afternoon and evening events. The President's Welcome Dinner is Sunday Evening and our Awards Banquet and Officer Inductions returns to Tuesday evening, and we encourage those being inducted to invite friends and family. It will a memorable night for all who are involved!

Amber and I, along with the VFDA Staff are very excited for the 134th Annual Convention! If you have any questions, please feel free to reach out to the association! We look forward to seeing you in Virginia Beach from June 12-15th!!!!

Thanks,

Jay McIntyre, President

Mr. Dominick J. Astorino, CFSP, MBIE is the restorative art instructor in the mortuary science program at Wayne State University, where he lectures weekly and oversees the restorative art lab. A proponent of education, Dominick holds degrees in cellular biology and mortuary science and is a member of the Michigan Funeral Directors Association, National Funeral Directors Association, British Institute of Embalmers and the Academy of Professional Funeral Service Practice.

She has earned seven national literary awards and six national advocacy award nominations for her work.

My work covers biocontainment / institutional use of AH for tissue disposal, agricultural applications, and use in the aftercare industries for water-based cremation. In these industries, the technology takes on some other names: Aquamation, Aqua Cremation, Water-based Cremation, Bio Cremation (TM), Resomation (TM), etc. I have assisted numerous state and provincial agencies with drafting their regulatory language for the approval of human disposition by alkaline hydrolysis.
